## HISTORY

- During the fall of 1985, a committee of high school baseball coaches from the tri-state area met with representatives from the Philadelphia Phillies to discuss the possibility of holding a tournament for the outstanding players in the region. The tournament would be named in honor of Robert & Ruly Carpenter, former owners of the Phillies. The Carpenter Cup Classic evolved from those meetings with the first single elimination tournament being held in June, 1986 at Veterans Stadium. Today, 16 teams participate in the event beginning at Richie Ashburn Field (FDR Park) and concluding with the semifinals and championship at Citizens Bank Park.
- A number of Carpenter Cup players have gone on to play Major League Baseball, including:
