

CARPENTER CUP LIABILITY FORM

I the undersigned do agree to absolve and hold harmless the staff from the South Jersey Baseball Coaches Association and school districts of all liability as a result from taking part in any of the activities involving participation in the Carpenter Cup. Any injury as a result of practice, playing, warming up, and/or transportation is the responsibility of the player and their family.

The family and player also acknowledge that participation is a privilege and voluntary, yet selection is ***not*** a guarantee that all players will start or play. Some players will also be requested to play an alternate position. Because of the rules of the Carpenter Cup and baseball all players may not play in each game.
